

Adding the dogs

Add the pets and write their sums

 $8 + 1 = \square + \square = \square$

 $7 + 3 = \square + \square = \square$

 $10 + 6 = \square + \square = \square$

 $8 + 3 = \square + \square = \square$

 $6 + 1 = \square + \square = \square$

 $4 + 2 = \square + \square = \square$

 $11 + 2 = \square + \square = \square$
