

Color the clouds in each box to match the number the hand shows.

A dashed rectangular box containing a smaller dashed box at the top with a hand showing the number 2. Below it is a 3x3 grid of clouds. The clouds at (1,1), (1,3), and (2,2) are already colored light blue, while the other six are white.

A dashed rectangular box containing a smaller dashed box at the top with a hand showing the number 2. Below it is a 3x3 grid of nine white clouds.

A dashed rectangular box containing a smaller dashed box at the top with a hand showing the number 5. Below it is a 3x3 grid of nine white clouds.

A dashed rectangular box containing a smaller dashed box at the top with a hand showing the number 5. Below it is a 3x3 grid of nine white clouds.
