

Practice table of 20 by solving the following questions

$20 \times 20 = 400$

$20 \times 18 = \underline{\quad}$

$20 \times 11 = \underline{\quad}$

$20 \times 4 = \underline{\quad}$

$20 \times 10 = \underline{\quad}$

$20 \times 9 = \underline{\quad}$

$20 \times 16 = \underline{\quad}$

$20 \times 2 = \underline{\quad}$

$20 \times 10 = \underline{\quad}$

$20 \times 5 = \underline{\quad}$

$20 \times 17 = \underline{\quad}$

$20 \times 6 = \underline{\quad}$

$20 \times 15 = \underline{\quad}$

$20 \times 13 = \underline{\quad}$

$20 \times 3 = \underline{\quad}$

$20 \times 18 = \underline{\quad}$

x	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
20	20	40	60	80	100	120	140	160	180	200	220	240	260	280	300	320	340	360	380	400
